

## **Mentoring Volunteer Opportunity Description**

**Volunteer requirements:** Five or more years of membership with Selected.

**Volunteer time required:** As needed basis.

**Volunteers needed:** Open.

**Training:** Electronic based. Guidance as needed.

Selected Independent Funeral Homes is looking for volunteers willing to provide guidance to new members. This is a great opportunity to help new members find the value in membership with Selected and get involved.

We are asking mentoring volunteers to initiate contact with new members by phone, or if the new firm is near, in person and work with the new member on how to best take advantage of the firm's new membership with Selected. More specifically, mentoring volunteers would talk to the new member about Selected's benefits, the benefit of attending the networking and annual meetings, how to initiate contact with members in their area and the general etiquette of being a member and working with members of Selected.

Membership with Selected will mean so much more to new members if they feel immediately connected with a peer. This is a great opportunity for those who are passionate about membership with Selected and want to share that passion and excitement with others.

For more information or to sign up to mentor new members, please contact Wendy Woodburn, Director of Membership, at 800-323-4219 or email at [wendyw@selectedfuneralhomes.org](mailto:wendyw@selectedfuneralhomes.org) You may also visit our website, <http://www.selectedfuneralhomes.org/support/volunteers.html>.
